# Concept & Design

Surface: 5.005 sqm

The plot is located near Baneasa Forest. The area is under constant development and the main focus is on residential buildings. The access is easy to Bucharest's ring road and Jandarmariei and Sisesti main roads

# Concept & Design

The plot is positioned in a neighbourhood that's under constant development. Because of its easy access to main roads it's very attractive as a residential real estate investment. There are big residential developments in the area and more investors are currently permitting their plots.
